Subject: Monthly Progress Report 10  
General Electric Consent Decree  
Civil Action No. 87-1073-jb

Percentage of RFI Workplan completed - 55%.

The installation of the four piezometers and the four ground-water monitoring wells was completed.

An agreement was completed on the indicator compounds for the remaining soil sampling analyses.

The report on the cleaning and sampling of the building interior was submitted.

Page 2  
May 7, 1990

Planned activities for the next reporting period include the following:

Obtain the ground-water samples.

Obtain the soil samples from dry well periphery borings, borings in oil stained areas, and from the 40 foot grid.

Start the air emissions study.

Very truly yours,

Barry York  
Environmental Project Manager
