Dear Mr. Jamison:

The New Mexico Environment Department (NMED) has received the subject report dated August 15, 2002 for the former Apparatus Service Center located at 4420 McLeod Road, Albuquerque, New Mexico. NMED has determined that the subject document is administratively complete and that our previous comments to the draft report that were submitted by NMED on May 10, 2002 have been addressed in a satisfactory manner. Additionally, NMED has forwarded a letter of conditional approval to Mr. Gary G. Miller, EPA Region 6. This approval and its conditions will be incorporated into the final approval letter for the Corrective Measures Study Report.

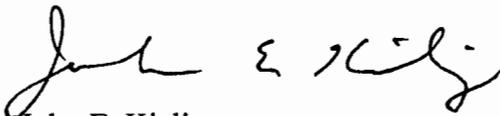

The New Mexico Hazardous Waste Management Fee Regulations 20.4.2 NMAC require assessment of fees. The fee assessment invoice will be sent to you under separate cover. Payment is due within sixty (60) days from the date you receive the invoice. If fees are
