**RE: TRANSITION OF CONSULTANT AND SELECTION OF REMEDIAL CONTRACTOR
GE ENERGY
FORMER APPARATUS INSPECTION AND REPAIR SERVICE CENTER
4420 MCLEOD ROAD NE
ALBUQUERQUE, NEW MEXICO**

Dear Ms. Cooper:

This letter is to inform you of a transition of environmental consulting services at the above referenced facility. Our consultant, including contact information, at this site is as follows:

PROGRAM LEVEL

AMEC Earth & Environmental, Inc.
3800 Ezell Road, Ste 100
Nashville, TN 37211
Tel 615.333.0630
Fax 615.781.0655
Contact: Ms. Bertisabel Custer
Email: bertisabel.custer@amec.com

LOCAL LEVEL

AMEC Earth & Environmental, Inc.
8519 Jefferson Blvd. NE
Albuquerque, NM 87113
Tel 505.821.1801
Fax 505.821.7371
Contact: Mr. Peter Guerra
Email: peter.guerra@amec.com

Additionally, we have selected the remediation contractor scheduled to complete all phases of the soil and dry well removal work. Their contact information is provided below:

Michael D. Hawksley
National Sales Manager
PSC Industrial Services
532 Old Marlton Pike PMB# 144
Marlton, NJ 08053
Tel 856.424.5643 Office
Fax 856.424.5643 Fax
Email: mhawksley@contactpsc.com

Frank Sanchez, CHMM
Location Manager
PSC Industrial Services
2003 W. McDowell Road,
Phoenix, AZ 85009
Tel 602.252.1186
Fax 602.254.8305
Email: FSanchez@contactpsc.com

Construction of staging areas, decontamination pads, and general site clearing and grubbing is scheduled to begin during the week of October 3, 2005.

If you have questions or comments regarding this letter please contact me at 518.385.9931 or via email at tom.antonoff@ge.com.

Sincerely,
GE Energy

A handwritten signature in black ink, appearing to read "Tom D. Antonoff", with a double vertical line at the end.

Thomas D. Antonoff
