1. For your information, we are providing the A-E Groundwater Monitoring Report/Quality Control Summary for the First Groundwater Sampling Round, Holloman Air Force Base, New Mexico, October 1989.
2. The Second Groundwater Sampling Round Report, conducted in Sep 1989, has not yet been provided to the base. When we receive this report, copies will be sent to the NMEID, US EPA Region VI, and you.
3. If at any time you have questions, please contact Sharon Moore at 479-3931.
