- Call to Sharon Moore re. missing sections I, J, K, L, + Ref's of Part B application. She said that the consultant had sent the application in two parts and they had inadvertently sent an incomplete copy. She would try to find copies of the missing parts and send them up today (Fri.).

She also mentioned that Dr. Gordon had requested 'some kind of certification form' some time ago and she wasn't sure what was meant. ~~She~~ She hoped we could send her a copy of one or otherwise let her know what was needed.
