Sharon Moore	to David Morgan	
SUBJECT    HAFB Part B		
DISCUSSION    Sharon wondered if the 'certification' in the application had to be signed before she had finished her review of the application for possible changes. I said that I thought strictly speaking an application would have to be signed before we started formal review, but that I'd ask Dr. Gordon and I thought that probably there would be no problem if Ed. Kocron signed it next week when she completed her review.
