1. In response to referenced letter, due to other pressing environmental issues and limited manning in the Environmental Planning office, we are unable to meet the 28 March 91 submission date for comments on subject draft permit. We, therefore, respectfully request a 30-day extension. Please be aware that we have submitted comments to EPA on the HSWA section of this permit.

2. If you have any questions, please feel free to contact Ms Sharon Moore at 479-3071.
