**RE: Sampling of excavation and waste pile at Holloman POL
Wash Rack Site.**

Dear Mr. Schmidt:

The New Mexico Environment Department (NMED) has received your January 7, 1992 letter describing sampling plans for the excavation and excavation waste pile at the Holloman Air Force Base (HAFB) POL Wash Rack Site and requesting approval of these plans. The NMED hereby approves the sampling plan for the waste pile, but must delay the approval of any sampling plan for the excavation until the results of from the Twenty-Nine Site IRP have been completed and received. Please proceed with your plans to sample the waste pile.

Sincerely,

Edward Horst
Program Manager
