Dear Mr. Moffitt:

This in response to your January 14, 1992 letter to Rich Meyers (sic), of the Environmental Protection Agency (EPA), requesting a Class I permit modification to your Hazardous and Solid Waste Amendments of 1984 (HSWA) permit.

In this letter, you made three separate modification requests (items 2, 3, and 4 of your letter). After further review, EPA hereby approves the three Class I modification requests. However, Holloman Air Force Base must implement the requirements of 40 CFR 270.42. This includes sending EPA a copy of the modified permit provisions mailed to persons on the facility mailing list. This notification must be made within 90 calendar days from the date of this letter.

If you have any further questions regarding this letter, please contact Richard Mayer of my staff at (214) 655-6775.

Sincerely yours,

Allyn M. Davis, Director
Hazardous Waste Management Division (6H)
