ATTN: Rich Mayer

1. In January of 1992, Holloman requested a Class I (40 CFR 270.42) modification to our Hazardous and Solid Waste Amendments (HSWA) Permit. The modifications requested were the following: Move Solid Waste Management Units (SWMU's) 165, 166, 179, AOC-G and AOC-L from Table 2 to Table 1 of our permit; move SWMU's 138 and 141 from Table 1 to Table 2 of our permit; and remove SWMU AOC-0 (IRP-45) from our permit.

2. Subsequent to EPA approval, Holloman AFB made the above mentioned modifications. At Atch 1, we have provided the revised Table 1, Table 2, and Table 3 of our HSWA Permit. The modified tables have been distributed to all interested parties cited on our facility mailing list (Atch 2).

3. If you have any questions, please contact Roger Wilkson at (505) 479-3931.
