Program Manager, Permitting  
New Mexico Environment Department  
Hazardous & Radioactive Materials Bureau  
525 Camino de Los Marquez  
Santa Fe, NM 87502-6610

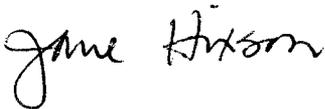

Dear Ms. Hoditschek:

This letter will confirm our meeting with you scheduled for Tuesday, 29 June 1993 from 9:00 am to noon. Enclosed is the agenda we have prepared for the meeting. Attendees will include **Fred Fisher**, representing Holloman AFB; **Ron Stirling**, representing the U.S. Army Corps of Engineers, Omaha District; and **Wally Hise** and myself from Radian Corporation. Please arrange for a conference room of the appropriate size.

We have prepared a few overheads for presentation at the meeting that summarize the background and current status of the project. Therefore we will need an overhead projector. We anticipate that the three hours you have available to meet with us will be ample for our discussion. I have enclosed a copy of the presentation materials from our meeting in July of 1992 as background.

If you have any questions about our upcoming meeting please feel free to call me.

Sincerely,

E. Jane Hixson, PhD, DABT, CIH  
Principal Scientist
