Re: Class I Permit Modification Request Determination  
Holloman Air Force Base - New Mexico  
EPA I.D. No. NM6572124422

Dear Mr. Moffitt:

The Environmental Protection Agency (EPA), Region 6 has reviewed Holloman Air Force Base (HAFB's) permit modification request dated July 26, 1993. HAFB's request included both Class 1 and Class 3 permit modifications. This letter will address only the Class 1 modifications. The Class 3 modifications will require Region 6 to modify HAFB's HSWA permit and to public notice the draft permit modifications for public comment.

The requested permit modifications are described below:

1. Change the designation of SWMU 229, Former Entomology Shop to SWMU 197 on Table 1 of the HSWA permit. This designation is consistent with past documents.
2. Delete the second reference to SWMU 102, Acid Trailer Burial Site on Table 1 of the HSWA permit. SWMU 102 is listed twice on Table 1.
3. Move the following SWMUs from Table 3 to Table 2 of the HSWA permit:

SWMU 2	Bldg 121 Oil/Water Separator (O/WS)
SWMU 15	Bldg 309 O/WS
SWMU 17	Bldg 316 O/WS
SWMU 22	Bldg 704 O/WS
SWMU 32	Bldg 868 O/WS
SWMU 36	Bldg 1000 O/WS
SWMU 39	Bldg 1092 O/WS
SWMU 40	Bldg 1166 O/WS

4. Separate SWMU 113, Sludge Disposal Trenches on Table 1 of the HSWA permit into two SWMUs as following:

SWMU 113A	Sludge Disposal Trenches at Lagoons; and
SWMU 113B	Sludge Disposal Trenches near Fire Training Area.

The requested modification allows each sub-SWMU to be handled separately during the corrective action process.

5. Add newly identified SWMU and AOC to Table 3 of the HSWA permit. The new SWMU and AOC shall be identified as follows:

SWMU 231	Incinerator/Landfill
AOC-V	Officer's Club

We hereby approve HAFB's request for the Class 1 permit modifications as listed above and described in HAFB's letter dated July 26, 1993. We will make a formal decision on HAFB's Class 3 permit modification request to halt the corrective action process for selected Table 1 SWMUs and AOCs within the next several weeks.

If you have any questions regarding this approval letter, please contact Lowell Seaton of my staff at (214) 655-8304.

Sincerely yours,

William K. Honker, P.E. Chief  
RCRA Permits Branch (6H-P)
