Dear Mr. Moffit:

The New Mexico Environment Department (NMED)-Hazardous and Radioactive Materials Bureau (HRMB) has received your December 13, 1994 letter addressed to Michael Le Scouarnec regarding an October 20, 1994 hazardous waste spill and its subsequent remediation. Based on review of the submitted documentation, HRMB has determined that the spill remediation was adequately addressed. HRMB hopes that the new preventive safeguards instituted by Holloman AFB will prove beneficial in preventing future, similar incidents.

If you have any questions, please contact Michael Le Scouarnec or Frank Sanchez at (505) 827-4308 or at the address on the letterhead.

Sincerely,

A handwritten signature in cursive script that reads "Coby Muckelroy".
