Dear Mr. Kern:

Enclosed is a draft letter to Holloman Air Force Base regarding Holloman's Phase I RCRA Facility Investigation (RFI) report for Table 2 Solid Waste Management Units (SWMUs). The Environmental Protection Agency (EPA) would like to issue the enclosed letter so that Holloman may complete the RFI for Table 2 SWMUs as soon as possible.

EPA requests that the New Mexico Environment Department (NMED) review Holloman's Phase I Table 2 SWMUs RFI report and EPA's draft letter. NMED's comments should be forwarded to EPA by April 3 so that they may be included in EPA's letter to Holloman.

If you or your staff have any questions, please contact Mr. Lowell Seaton of my staff at (214) 665-8304.

Sincerely yours,

David Neleigh, Chief  
New Mexico/Federal Facilities Section
