RE: Disk submittal, U.S. Air Force Holloman Air
Force Base Open Detonation Permit Application
EPA ID No. NM6572124422

Dear Mr. Moffitt:

The Hazardous and Radioactive Materials Bureau (HRMB) of the New Mexico Environment Department (NMED) is requesting a copy of the October 1988 Holloman Air Force Base 20,000-pound Open Detonation Permit application. The HRMB requests that this permit application be submitted on a 3.5" disk that is compatible with Word Perfect 5.2. HRMB asks for this submittal for expedited review and administrative conversion. Until HRMB receives this submittal, the technical review and eventual permit acceptance will be severely hindered. Thus HRMB is requesting this information be submitted to HRMB within 15 days of receipt of this letter.

If you have any question please contact me or Charles Lundstrom of my staff at (505)827-4308.

Sincerely,

Barbara Hoditschek
