Subject: TERC Contract No. DACW45-94-D003, Delivery Order 11, WAD 01
Change to the Draft Work Plan Addendum for the Remediation of POL-
Contaminated Sites and Oil/Water Separator and Waste Oil Tank Removals

Enclosed are four copies of a substitute page for the Draft Work Plan Addendum for the POL remediation project. The ending of the last sentence on this page was changed from "treated and disposed" to "used for fuel" per Warren Neff's direction. Additional submittals are indicated in the distribution below.

If you have any questions regarding the responses or require additional information, feel free to contact Bryan Walz at (303) 980-3704.

Sincerely,

Ronald E. Versaw, P.E.
