Dear Mr. Dinwiddie:

We have reviewed the March 27, 1997, fact sheet pertaining to NMED's proposed closure plan for seven sewage lagoons at Holloman Air Force Base. The Fish and Wildlife Service has participated in discussions and planning related to this matter, and we concur with the plan as presented in the fact sheet.

Thank you for the opportunity to review and comment on the proposed closure plan. If you have any questions, please contact Mark Wilson of my staff, at 761-4525.

Sincerely,

Jennifer Fowler-Propst, Acting
for Field Supervisor
