RE: MEETING NOTES
EPA ID NO. NM6572124422

Dear Mr. Moffitt:

The New Mexico Environment Department (NMED) Hazardous and Radioactive Materials Bureau (HRMB) appreciates the effort of Holloman Air Force Base (HAFB) to familiarize HRMB with the information presented/discussed at any of our meetings. HRMB has no objection if HAFB chooses to send a copy of their meeting notes for submittal to the HRMB files as a public record.

However, HRMB has been advised to no longer review and/or comment on any meeting notes. HRMB does not want the public to misconstrue that binding decisions have been made as a result of the review/comment process.

In addition, HRMB would also like to clarify that all past notes prepared by HAFB and reviewed by the HRMB regarding meetings do not represent the position of HRMB. If you have any questions concerning this letter, you may call me at 505/827-1561 for more information.

Sincerely,

Robert S. (Stu) Dinwiddie, Ph.D., Manager
RCRA Permits Management Program
Hazardous and Radioactive Materials Bureau
