

MEMORANDUM FOR NMED

18 Mar 99

Attn: Cornelius Amindyas

FROM: 49 CES/CEV
550 Tabosa Ave
Holloman AFB, NM 88330

SUBJECT: Diskette Containing Holloman's RCRA Part B Permit Modification and
Corrected Pages in Hard Copy

1. Enclosed are sections C-J of the RCRA Part B Permit modification in version Word Perfect 6.0. Hopefully you will be able to read each file as needed. I made corrections on the electronic files as I mentioned to you.
2. Also enclosed are hard copy pages showing corrections to the existing text you already have. As I mentioned before, the signature page of the Part A Application is in the process of being signed by the new commanders. This is likely to take some time as we must get signatures in Battle Creek as well as Holloman AFB. I have enclosed a hard copy of the corrected attachment to RCRA Part A showing name of operator and name of facilities legal owner.
3. Please let me know if you cannot read a file or have any questions.
