**RE: EXTENSION OF DEADLINE: RESPONSE TO REQUEST FOR  
SUPPLEMENTAL INFORMATION ON PERMIT RENEWAL APPLICATION**

**EPA ID NO. NM6572124422**

Dear Mr. Moffitt:

The RCRA Permits Management Program of New Mexico Environment Department (NMED), Hazardous and Radioactive Materials Bureau (HRMB) received Holloman Air Force Base's (HAFB's) letter of May 24, 1999. HAFB is requesting an extension of the due date, for response to the *Request for Supplementary Information* issued by HRMB on the Permit Renewal Application. You explained in your letter that you will need a thirty (30) calendar day extension to develop the required information.

In light of the above reason, the HRMB hereby grants HAFB the extension, effective from the date you receive this letter. Please incorporate the required information into Section C, Waste Analysis Plan of the July 1997 Part B Permit Application, and present the response to HRMB in two hard copies, and on a 3.5" diskette compatible with Word Perfect 5.2X. Your usual cooperation in submitting the necessary information promptly will expedite NMED's final determination on the technical adequacy of the application, and the commencement of the draft permit development.

Mr. Moffitt, HAFB
