Dear Brigadier General Lake

The New Mexico Environment Department is in receipt of your request for an extension of the Annual Hazardous Waste Management Business Fee submittal in accordance with 20 NMAC 4.2.301.1. Your request was submitted on behalf of Holloman Air Force Base. The Department has determined that your request meets the requirements of 20 NMAC 4.2.301.1 to receive an extension for payment.

Your payment of \$ 34,000 is now due on August 3, 1999. Please note that this date may be further changed based on review of the invoice by the Facility and the Hazardous and Radioactive Materials Bureau and the issuance of an Amended Annual Unit Audit Invoice prior to expiration of the extension period.

Should you or your staff wish to discuss the Annual Unit Audit Invoice during this extension period, please do not hesitate to contact me at (505) 827-1567.
