**SUBJECT: SWMUs 139 AND 140 RFI REPORTS: ADMINISTRATIVE
COMPLETENESS REVIEW AND FEE ASSESSMENT
EPA ID No. NM6572124422
INVOICE # HAFB-99-001**

Dear Mr. Moffitt:

The RCRA Permits Management Program (RPMP) of the Hazardous and Radioactive Materials Bureau (HRMB) has concluded the Administrative Completeness Review of RCRA Facility Investigation Report for solid waste management units (SWMUs) 139 (Lake Holloman) and 140 (Lake Stinky). Holloman Air Force Base (HAFB) submitted the report in July, 1997. The subject document has been determined to be administratively complete.

The New Mexico Hazardous Waste Fee Regulations 20 NMAC 4.2 require the assessment of fees when Corrective Action Documents are reviewed for administrative completeness. The fees for review of the RFI Report for SWMUs 139 and 140 is \$7,600.00, as specified by 20 NMAC 4.2 Section 207, Table 2.5 (Row 13, Column 1). The work sheet used for calculation of your Document Review Fee is attached.

Payment is due within sixty (60) days of your receipt of this letter. Should the Return Receipt be sent back to us without a date of receipt the fees are due sixty (60) days from the date of this letter. Payment should be made by certified check or money order payable to the New Mexico Environment Department (NMED) Hazardous Waste Permits Fund 339. Should you need to request an extension of the sixty (60) day period the request must be received by the RPMP a minimum of fourteen (14) calendar days prior to the end of the sixty (60) day period. This fourteen (14) day period will be necessary to ensure that the facility receives written approval prior to the expiration of the sixty (60) day payment period.

Upon receipt of the fee HRMB staff will initiate the processing of the RFI Work Plan in accordance with the time line established in 20 NMAC 4.2.201.7. This regulatory language states that "NMED shall review and approve or disapprove a corrective action document within one-hundred eighty (180) days after the document is accepted for review by NMED and the applicable fee has been assessed and paid. The Secretary may allow an additional sixty (60) days for review upon a determination that good cause exists for the additional review time. The review period set by this subsection shall be tolled during all periods in which NMED is awaiting a response by the facility to a Request for Supplemental Information or a Notice of Deficiency and during all time periods in which further action cannot be taken due to public hearing requirements."
