**RE: EXTENSION OF DEADLINE FOR RESPONSE TO REQUEST FOR
SUPPLEMENTAL INFORMATION (RSI) ON SWMUs 133 AND 230
EPA ID NO. NM6572124422**

Dear Mr. Moffitt:

The New Mexico Environment Department (NMED), Hazardous and Radioactive Materials Bureau (HRMB) received Holloman Air Force Base's (HAFB's) request for extension of the deadline for response to the RSI issued by HRMB on December 16, 1999 for SWMU 133 and SWMU 230. In your letter dated February 7, 2000, you explained that you need a thirty (30) day extension to develop and submit the additional information.

In light of the above reason hereby grants HAFB the subject extension. Holloman Air Force Base must therefore submit to HRMB the requested information not later than thirty (30) calendar days from the date you receive this letter.

Please call Kirby Olson or me at (505) 827-1561, if you have further questions on this matter.

Sincerely,

Cornelius Amindyas, Environmental Specialist
