**SUBJECT: REQUEST FOR EXTENSION OF DEADLINE, ANNUAL UNIT AUDIT
EPA ID NO. NM6572124422**

Dear Mr. Poland:

The New Mexico Environment Department Hazardous and Radioactive Materials Bureau (HRMB) received Holloman Air Force Base's (HAFB's) March 24, 2000 request for extension of the deadline for response to the annual unit audit (AUA) letter issued by HRMB on February 29, 2000. You explained in your letter that HAFB needs a thirty (30) day extension to enable you complete review of the document.

In light of the above explanation, HRMB hereby grants HAFB the subject extension. Holloman Air Force Base must therefore respond to the AUA letter not later than thirty (30) calendar days from the date you receive this letter.

Please call me or Dr. Dinwiddie at (505) 827-1561, if you have further questions on this matter.

Sincerely,

Cornelius Amindyas, Environmental Specialist
