**SUBJECT: REQUEST FOR EXTENSION OF DEADLINE
EPA ID NO. NM6572124422**

Dear Mr. Moffitt:

The New Mexico Environment Department Hazardous and Radioactive Materials Bureau (HRMB) received Holloman Air Force Base's (HAFB's) March 29, 2000 request for extension of the deadline for response to the notice of deficiency (NOD) on the Container Storage Permit Application issued by HRMB on January 19, 2000. In your letter dated, HAFB explained that you need a thirty (30) day extension to ensure each item detailed in the NOD has been sufficiently addressed.

In light of the above reason hereby grants HAFB the subject extension. Holloman Air Force Base must therefore submit to HRMB the required information not later than thirty (30) calendar days from the date you receive this letter.

Please call me at (505) 827-1561 x1030, if you have further questions on this matter.

Sincerely,

Cornelius Amindyas, Environmental Specialist
Permits Management Program
Hazardous and Radioactive Materials Bureau
