MEMORANDUM FOR NEW MEXICO ENVIRONMENT DEPARTMENT

Mr. James P. Bearzi
Hazardous Waste Bureau

FROM: 49 CES/CD

SUBJECT: 60-Day Extension Request for SWMU 123 Notice of Deficiency (NOD) Response

1. Per Mr. Cornelius Amindyas' recommendation, Holloman AFB requests a 60-day extension to fully respond to the subject NOD. Mr. Jose Gallegos of our Environmental Flight is working with Mr. Amindyas to resolve the issues addressed in your letter dated 17 Aug 01. The extension would move the due date to 17 Feb 2002.
2. We have reviewed all comments and researched past activities at SWMU 123. At this time, Mr. Gallegos feels a meeting with Mr. Amindyas and Dr. Kirby Olson, the comments' authors, is necessary to determine future corrective actions for this site. A 16 Jan meeting is scheduled to discuss and finalize these issues. The extra time will also allow your staff to prepare for the proposed meeting.
3. We are committed to addressing all environmental issues in a complete and timely manner and hope you will approve this petition for a deadline extension so this matter can be fully and accurately addressed. If you have any questions or require additional information, please contact Mr. Gallegos at (505) 572-5395.
