Dear Mr. Moffitt:

The Hazardous Waste Bureau (HWB) of the New Mexico Environment Department (NMED) has received Holloman Air Force Base's Final Closure Report dated March 2002 for the above solid waste management units. HWB has accepted the document for review.

The New Mexico Hazardous Waste Management Fee Regulations 20.4.2 NMAC require assessment of fees prior to NMED's review. The fee assessment invoice will be sent to you under separate cover. Payment is due within thirty (30) days from the date you receive the invoice. Upon receipt of the fee, HWB staff will initiate the review of the document in accordance with the timeline established in 20.4.2.201.7 NMAC.

If fees are transmitted electronically, you must submit a letter to Cindy Abeyta, Hazardous Waste Bureau, indicating the invoice number, payment amount, date of payment and the assessed activity.
