HWB-HAFB-03-003**

Dear Mr. Moffitt:

The Hazardous Waste Bureau (HWB) of the New Mexico Environment Department (NMED) has received Holloman Air Force Base's Remedial Investigation Report dated December 2002 for the Ammunition Disposal Pit (DP-63). HWB has accepted the document for review.

The New Mexico Hazardous Waste Management Fee Regulations 20.4.2 NMAC require assessment of fees prior to NMED's review of the report. The fee assessment invoice will be sent to you under separate cover. Payment is due within sixty (60) days from the date you receive the invoice. Upon receipt of the fee, HWB staff will initiate review of the document in accordance with the timeline established in 20.4.2.201.7 NMAC.

If fees are transmitted electronically, you must submit a letter to Cindy Abeyta at the letterhead address indicating the invoice number, payment amount, date of payment and the assessed activity.
