**RE: ANNUAL UNIT AUDIT – CALENDAR YEAR 2002**  
**HOLLOMAN AIR FORCE BASE-NM6572124422**

Dear Brigadier General Hunt:

The New Mexico Environment Department (NMED) has completed the Final Annual Unit Audit (AUA) for calendar year 2002 for your facility. Enclosed are the AUA Tables only for those units that will be billed. The Tables were developed from the recent *draft* Annual Unit Audit, dated March 5, 2003, and any comments received from your facility. Also enclosed is an invoice for the Annual Hazardous Waste Management Business Fee (AHWMBF). The tables are formatted accordingly: 1) Table A includes all operating, closure, and post-closure care units; 2) Table B includes corrective action units (e.g. SWMUs); and 3) Table C is the summary of all billable units.

As requested in the March 5, 2003 AUA letter from NMED, if your facility has operating unit(s), that did not manage hazardous waste for the entire 2002 calendar year, an affidavit must be provided to NMED affirming no such activity. The NMED will then not assess a fee for the 2002 AHWMBF.

Under the provisions of 20.4.2.301.1 NMAC "Payment shall be due within sixty (60) days of receipt of the invoice unless the facility submits to NMED/HWB a written request and receives written approval to extend the time for payment before the date payment is due." Should the Return Receipt Request card attached to this letter be returned without a date of receipt the fee is due within sixty (60) days of the date of this letter.

Annual Unit Audit – Calendar Year 2002  
Holloman Air Force Base  
June 30, 2003  
Page 2

Should your facility find it necessary to appeal the Annual Fee invoice under the provisions of 20.4.2.302 NMAC the appeal must be filed within thirty (30) days of the date of the invoice accompanying this letter. Any appeal of the AHWMBF invoice must be filed in writing and accompanied by a copy of the invoice being contested and state the grounds upon which the appellant disagrees with the assessment.

Appeals must be filed directly with the:

Hearing Clerk  
New Mexico Environment Department  
P.O. Box 26110  
1190 Saint Francis Drive  
Santa Fe, New Mexico 87502-6110

Should you have questions concerning this Annual Unit Audit please call your respective Hazardous Waste Bureau project leader, or me at (505) 428-2500.

Sincerely,

John E. Kieling  
Manager  
Permits Management Program
