RE: FEE ASSESSMENT FOR REVIEW OF THE BASEWIDE QUALITY ASSURANCE PROJECT PLAN HOLLOWAN AIR FORCE BASE EPA ID# NM65721224422 HWB-HAFB-03-004

Dear Ms. Hartell:

The Hazardous Waste Bureau (HWB) of the New Mexico Environment Department (NMED) has received Holloman Air Force Base's Basewide Quality Assurance Project Plan dated November 2003. HWB has accepted the document for review.

The New Mexico Hazardous Waste Management Fee Regulations 20.4.2 NMAC require assessment of fees prior to NMED's review. The fee assessment invoice will be sent to you under separate cover. Payment is due within sixty (60) days from the date you receive the invoice. Upon receipt of the fee, HWB staff will initiate the review of the document in accordance with the timeline established in 20.4.2.200.7 NMAC.

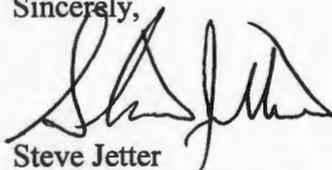

Should you need to request an extension of the sixty-day period, a request must be received by NMED a minimum of fourteen (14) calendar days before the end of the sixty-day period. Should you disagree with the assessed fee, you may file an Administrative Appeal under provisions of 20.4.2.300.B NMAC.
