Dear Mr. Amindyas:

Enclosed please find the responses to comments conveyed in the subject RSI as well as the revised work plan for the T-38 site. As you are aware, Bhate is providing this supplemental information well ahead of the date requested (March 11, 2005). This is being done to maintain a field schedule in place so that labor and equipment arrangements will not be adversely affected. Thank you for your cooperation in this matter.

Cordially,
Bhate Environmental Associates, Inc.
