RE: NOTICE OF APPROVAL
VOLUNTARY CORRECTIVE MEASURES WORK PLAN, SITE SS-61 SOIL
REMEDICATION, AUGUST 2006
HOLLOMAN AIR FORCE BASE, EPA ID# NM6572124422
HWB-HAFB-05-007 AND HAFB-05-008

Dear Ms. Hartell:

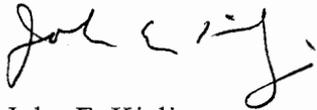

The New Mexico Environment Department (NMED) has reviewed Holloman Air Force Base's (HAFB's) January 23, 2007 response to NMED's November 27, 2006 Notice of Deficiency for the Voluntary Corrective Measures Work Plan (VCM WP) for Site SS-61 (AOC 1001) soil remediation, dated August 2006. NMED also reviewed HAFB's January 23, 2007 responses to Notices of Deficiency for the *Additional Groundwater Monitoring Work Plan for SS-61* and the *Monitored Natural Attenuation (MNA) Report for SS-61*. Note that the Additional Groundwater Monitoring Work Plan and the MNA proposal have been superseded by the referenced VCM WP. MNA is no longer proposed as a remedy for this site.

The NMED hereby concurs with the responses and approves the Work Plan for implementation. The Permittee is now required to submit the changed pages to NMED, as indicated in the responses, for incorporation into the Work Plan.

Debbie Hartell
