**SUBJECT: STATEMENT OF BASIS FOR APPROVAL OF NO FURTHER ACTION
FOR TEN SOLID WASTE MANAGEMENT UNITS, MARCH 2007
HOLLOMAN AIR FORCE BASE EPA ID NO. NM6572124422
HAFB-07-006**

Dear Ms. Hartell:

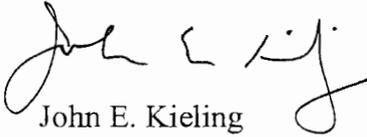

The New Mexico Environment Department (NMED) has received the subject Statement of Basis from Holloman Air Force Base (HAFB). NMED assumes that this document is a request for a Class 3 permit modification. However, a formal request for a Class 3 modification was not submitted with the document.

Please be advised that the NMED will not consider the document administratively complete for review until a formal request for a Class 3 Permit Modification/Petition for No Further Action Review is received. This request must meet the requirements of the New Mexico Hazardous Waste Management Regulation specified at 40 CFR 270.42(c), including information regarding public notices and public meetings, etc. An invoice for the NMED's review fee will be mailed to HAFB after it is determined that the request is administratively complete and will be based on Table 4 of the Hazardous Waste Permit and Corrective Action Fees, 20.4.2.207 NMAC, *Permit Modification Fees*.
