Holloman AFB NM 88330-8458

SUBJECT: Sixty Day Extension Request for the Response to the Notice of Deficiency (NOD)  
Regarding the Open Detonation Permit Renewal Application, Dated December 30,  
2008

1. Holloman AFB requests a 60-day extension to respond to the subject NOD regarding the Open Detonation Unit.
2. The 60-day extension is necessary to validate information from technical orders and AF directives referenced in the renewal application document. The extension will enable Explosive Ordnance Disposal Flight senior leaders who recently returned from deployment the opportunity to review related technical data and referenced information to ensure its accuracy before incorporating any changes and additions to the renewal application as requested in your correspondence dated 30 Dec 08 and received 5 Jan 09. An extension would move the due date to 1 May 09.
3. Please direct any questions to David Scruggs at (575) 572-5395.
