Dear New Mexico Environment Department,

Per telecommunication between Mr. Scruggs, Asset Management Flight and Mr. Kieling, Hazardous Waste Bureau on 4 Dec 09, we are requesting a 60 day extension in accordance with 20.4.2.301 (C) for the payment of our 2009 Open Detonation Unit Permit renewal fees (Facility NM6572124422, HAFB-06-004).

As we have not previously seen additional SWMU/AOC fees totaling \$62,000 assessed with a permit renewal, the package was sent to our regional compliance office in Dallas, TX and our command headquarters at Langley AFB, VA for review. These offices subsequently forwarded to their legal teams which has resulted in further delays.

Upon the results of the legal reviews we will either gain the funding to pay the additional fees or appeal the assessment.

If you have any questions, please contact Mr. David Scruggs of our Asset Management Flight at (575) 572-5395.

Sincerely,

DEC 18 2009

A. DAVID BUDAK, YF-3, DAFC
