Dear Mr. Kieling

Holloman AFB requests a two-year extension to the September 30, 2015 due date for its response to the Notice of Disapproval (NOD) pertaining to the Accelerated Corrective Measures Completion Report for Site SS-13 dated October 2013.

Holloman AFB requires more time to prepare its response to the NOD because the site in question, SS-13, has been included in the New Mexico-Arizona Performance Based Restoration (NM-AZ PBR) contract. While that contract has been awarded, the contractor will not begin work until FY15. The requested extension will permit Holloman AFB and the NM-AZ PBR contractor to properly address the issues raised in the NOD.

If you have any questions, please contact me at 575-572-3931 or by e-mail at [deanna.rothhaupt@holloman.af.mil](mailto:deanna.rothhaupt@holloman.af.mil).

Sincerely

DEANNA ROTHHAUPT, GS-12, DAF
