Dear Mr. Kieling

In reference to Hazardous Waste Permit #6572124422, Holloman AFB requests an additional 6-month extension to submit the renewal application documents for the permit. In accordance with Section I.E.3 of the permit, our renewal application documents were originally due to NMED by 24 Aug 2013. Our first extension will expire on 24 Aug 2014.

Holloman AFB is currently preparing the renewal application package. Due to additional information and preparation required by the submittal process, we are requesting an additional six (6) month extension to complete and submit the permit renewal application. If granted, the permit renewal submission deadline will be 24 Feb 15. In the meantime, we will continue to conduct operations in accordance with the existing permit requirements.

If you have any questions, please contact me at 575-572-3931, or by e-mail at deanna.rothhaupt@us.af.mil.

Sincerely

DEANNA ROTHHAUPT, GS-12, DAFC
