Dear Mr. Kieling

Holloman AFB requests a two-year extension to the November 17, 2014 due date for the Investigation Work Plan requested in the August 2014 Notice of Disapproval (NOD) RCRA Facility Investigation Report for SWMUs 122/123.

Holloman AFB requests an extension for submission of the RFI Work Plan because the sites in question, SWMUs 122/123, have not been included in the New Mexico-Arizona Performance Based Restoration (NM-AZ PBR) contract. Program funding and the establishment of a contract mechanism is scheduled for FY 16.

If you have any questions, please contact me at 575-572-3931 or by e-mail at deanna.rothhaupt@holloman.af.mil.

Sincerely

DEANNA ROTHHAUPT, GS-12, DAFC
