New Mexico Environment Department Attn: Mr. John Kieling, Chief Hazardous Waste Bureau 2905 Rodeo Park Drive East, Building 1 Santa Fe NM 87505-6303

Dear Mr. Kieling,

Holloman AFB is pleased to submit the Errata Page for the Final Amended Expanded Closure Plan for OD20K 20,000-Pound Open Detonation Unit (NMED permit number: NM6572124422-OD) for your review. The Final Amended Expanded Closure Plan was submitted to NMED on October 22, 2014, and based on NMED review dated January 27, 2015 the chronology in Table 2-1, Proposed Closure Schedule if Correction Action for Groundwater is not Required, has been revised.

I certify under penalty of law that this document and all attachments were prepared under my direction or supervision according to a system designed to assure that qualified personnel properly gather and evaluate the information submitted. Based on my inquiry of the person or persons who manage the system, or those persons directly responsible for gathering the information, the information submitted is, to the best of my knowledge and belief, true, accurate and complete. I am aware that there are significant penalties for submitting false information, including the possibility of fine and imprisonment for knowing violations.

If you have any questions, please contact me (575) 572-3931 or by email at deanna.rothhaupt@holloman.af.mil.
