Dear Ms. Rothhaupt:

The New Mexico Environment Department has reviewed the report: *Final RCRA Facility Investigation Report Group 3 – Building 1113 (TU/US-C501), Holloman Air Force Base, New Mexico, September 2013*, which was received on October 9, 2013. The report is hereby approved.

The Permittee may request a Class 3 permit modification for Corrective Action Complete for AOC-UST-1113 in accordance with 40 C.F.R. §270.42(c). The Class 3 permit modification process includes requirements for public notice and for providing opportunity for public comment that are mandatory. NMED's preliminary determination that corrective action is complete is subject to NMED's reservation of rights regarding the discovery of new information or unknown conditions. As part of the permit modification process, new information may become available during the public comment period that a given site is not protective of human health or the environment. NMED reserves all rights to withdraw its preliminary conclusion that

corrective action is complete, if new information indicates that further corrective action is needed to protect human health or the environment.

If you have any questions regarding this matter, please contact Mr. Brian Salem of my staff at (505) 222-9576.

Sincerely,
