**RE: EXTENSION REQUEST – WORK PLAN FOR SWMU 111 (RW-42)
HOLLOMAN AIR FORCE BASE, EPA ID # NM6572124422
HWB-HAFB-12-017**

Dear Ms. Rothhaupt:

The New Mexico Environment Department (NMED) has reviewed the Holloman Air Force Base (the Permittee) March 3, 2016 request for an extension of the deadline to submit the work plan for investigation activities at site RW-42 (SWMU-111). The Permittee explained that this extension is necessary in order to allow approval from the Nuclear Regulatory Commission regarding site jurisdiction and from the Air Force Radioisotope Committee to resolve internal authority over the site.

NMED hereby grants this extension. The Permittee must therefore submit the work plan no later than **June 29, 2016**. If you have any questions regarding this matter, please contact Mr. David Strasser of my staff at (505) 222-9526.

Sincerely,

John E. Kielling
Chief
Hazardous Waste Bureau
