**RE: EXTENSION APPROVAL  
SUBMITTAL OF NON-TIME CRITICAL REMOVAL ACTION WORK PLAN  
FOR SITES SR859a (FORMER SKEET RANGE 2) AND TS862a (JEEP TARGET  
AREA SKEET RANGE)  
HOLLOMAN AIR FORCE BASE, EPA ID # NM6572124422  
HWB-HAFB-14-007**

Dear Mr. Kusmak:

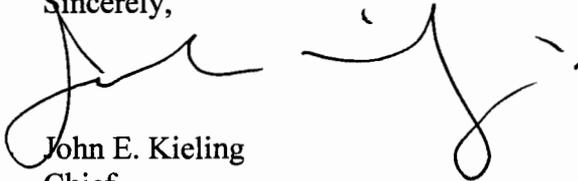

The New Mexico Environment Department (NMED) has reviewed the above-referenced Holloman Air Force Base (the Permittee) June 22, 2016 request for an extension of the deadline to submit an investigation work plan to NMED for continued remedial activities at munitions response sites SR859a (Former Skeet Range 2) and TS862a (Jeep Target Area Skeet Range). The request letter refers to this work plan as a Non-Time Critical Removal Action (NTCRA) Work Plan. The Permittee explained that a 12-month submittal extension is necessary in order to allow for the preparation and submission of an Engineering Evaluation/Cost Analysis and an Action Memorandum prior to the preparation and submission of the NTCRA Work Plan.

The Permittee has shown good cause for the time extension; therefore, NMED hereby grants the extension as requested. The Permittee must therefore submit the work plan by no later than **June 27, 2017**.

Mr. Kusmak
