**SUBJECT: Request for Extension for submitting Revisions to the SS061 (AOC-1001)
Supplemental RFI report**

Dear Mr. Pierard,

Holloman requests a second extension for submitting a response to comments and a revised report for the subject site. We received comments on this report from your office in July. However, due to funding and staffing issues related to COVID-19, AFCEC is still in the process of extending the performance period and obtaining funding for contractor performing this effort.

Therefore, we request a 90-day extension for submitting the IM report until 11 December 2020.

If you have any questions or concerns regarding this submittal, please contact me at (575) 572-6675.

Sincerely,
