**RE: APPROVAL
EXTENSION REQUEST – FY 2020 LONG-TERM MONITORING REPORT, BASE EXCHANGE
GAS STATION FUEL SPILL, SITE SS017 (AOC-Q)
HOLLOMAN AIR FORCE BASE, NEW MEXICO
EPA ID # NM6572124422
HWB-HAFB-20-002**

Dear Mr. Kusmak:

The New Mexico Environment Department (NMED) received the U.S. Air Force (Permittee) Holloman Air Force Base (Facility) Extension Request - FY 2020 Long-Term Monitoring Report, Base Exchange Gas Station Fuel Spill, Site SS017 (AOC-Q) (Request), on March 24, 2021. The Request states that delays related to COVID-19 restrictions and the US Air Force funding process has caused the FY 2020 Long-Term Monitoring Report for AOC-Q (Site SS017) to be unavoidably delayed.

As stated previously in the approval for extension request for the Supplemental RFI for AOC-RR dated November 9, 2020, all future extension requests must be provided a minimum of 10-days prior to the required submittal date. Failure to follow NMED direction for future extension

Mr. Adam Kusmak

requests may result in a denial of the request. Also, extension requests for separate documents must be submitted as separate letters.

NMED hereby grants the Permittee's request for a time extension; the Permittee must submit the revised FY 2020 Long-Term Monitoring Report for AOC-Q no later than **August 31, 2021** as requested.

If you have any questions regarding this letter, please contact Naomi Davidson at (505) 690-7567.

Sincerely,

**Kevin
Pierard**
