**SUBJECT: Affidavit and Request to Waive Activity Fee for the Open Detonation Unit, Holloman Air Force Base, NM**

Dear Mr. Cobrain,

Holloman AFB is requesting a waiver from paying the 2020 Hazardous waste Management Activity Fee for the Open Detonation Unit (ODU20K). The facility is currently in the process of closure. I have attached a notarized Affidavit certifying the nonoperational status of this unit. Holloman Air Force Base Permit Number is NM65721244422.

If you have any questions regarding this submittal, please contact Mr. Scott Dorton, Chief of the Environmental, at (575) 572-3931.

Sincerely,

**AFFIDAVIT OF  
MR. ADAM KUSMAK  
Chief, Installation Management Flight (49 CES/CEI)**

Per 20,4.2.21(A) NMAC, the annual fee shall be waived for Hazardous Waste Management units for which the owner provides documentation to the New Mexico Environment Department (NMED) that Resource Conservation and Recovery Act (RCRA) related waste management activities did not occur at the unit during the previous calendar year.

The following facility under Holloman AFB management did not and will not perform RCRA related waste management activities during 2020: The Open Detonation Unit (ODU) 20K ceased operation in 2010 and is currently in the process of closure with NMED.

As per 40 CFR 270.11, I certify under penalty of law this Affidavit was prepared under my supervision according to a system designed to assure the qualified personnel properly gathered and evaluated the information submitted. Based on my inquiry of personnel who manage the system, the information submitted is, to the best of my knowledge and belief, true, accurate, and complete. I am aware of significant penalties for submitting false information including the possibility of fine and imprisonment for knowing violations.
