REQUEST FOR ORAL ARGUMENT

Department of the Environmental of the State of New Mexico requests oral argument in the above-captioned case. The grounds for this request are as follows:

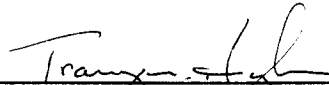

1. Oral argument would clarify the specialized regulatory scheme governing Kirtland Air Force Base's hazardous waste permit.
2. Oral argument may aid the Court in understanding the permit and the issues on appeal.
3. Oral argument would allow counsel the opportunity to clarify arguments and answer any questions the Court may have.

WHEREFORE, Appellee requests that the Court set this case for oral argument.

Respectfully submitted,
TOM UDALL, ATTORNEY GENERAL
