**RE: NOTICE OF APPROVAL OF CLOSURE PLANS FOR SEWAGE LAGOONS, GOLF COURSE, AND
GOLF COURSE MAIN POND**

Dear Col. Norris:

The New Mexico Hazardous and Radioactive Materials Bureau (HRMB) received Closure Plans for the sewage lagoons, the golf course, and the golf course main pond on September 10, 1991 from Kirtland Air Force Base (KAFB).

HRMB has reviewed said plans and is satisfied with their content. Also, the public comment period mandated by our regulations has expired with no comment received. This letter constitutes NMED approval of the Closure Plans.

Though previously agreed upon, this letter serves as official notification that KAFB has satisfied the requirements of the Federal Facilities Compliance Agreement of February 28, 1990 and that the agreement is a closed matter.

Please contact Joseph Kennedy at (505) 827-4300 if you have any questions.

Sincerely,

Kathleen M. Sisneros
