Re: Phase II Work Plan Extension Request  
Kirtland AFB NM

Dear Colonel Norris:

The Environmental Protection Agency (EPA) has reviewed your November 25, 1992 letter, and will grant your request for an extension to January 29, 1993 for the resubmittal of the Phase II RFI Work Plan. This will be your second extension for submission of this work plan. No further extensions will be granted.

EPA will reiterate that the problems related to the Phase II RFI Work Plan submittal should not affect the April 11, 1993 submittal of your Phase III RFI Work Plan. No extensions will be granted for this Phase III submittal due to Kirtland Air Force Base's (KAFB) failure to hire a contractor in a timely manner. Any further delays in KAFB's RFI process may result in enforcement action being taken by EPA.

Should you have any questions, please contact Barbara Driscoll of my staff at (214) 655-6785.

Sincerely,

William K. Honker, P.E.  
Chief  
RCRA Permits Branch (6H-P)
