CLOSURE CERTIFICATION

The undersigned, Brigadier General James L. Higham, representing Kirtland Air Force Base, a military installation with its principal place of operation at Albuquerque, New Mexico, which formerly owned or operated a hazardous waste land application site known as Tijeras Arroyo Golf Course and located at Pennsylvania Avenue, permanently ceased the active operation of the facility and has fully implemented all measures relating to the closure of the facility as set forth in the closure plan approved by the New Mexico Environment Department for said facility.

Now, THEREFORE, I, Brigadier General James L. Higham, hereby swear and affirm that the above named hazardous waste facility has been closed in accordance with the facility's closure plan approved in writing by Ms Kathleen M. Sisneros, New Mexico Environment Department on 18 November 1991; that all measures relating to the closure of the facility required by the closure plan, that the rules and regulations of New Mexico Hazardous Waste Management Reg, Section 265, Subpart G, have been fully implemented; and to the best of my knowledge, no violations continue to exist that may have arisen prior to closure.

**Closure Certification**

I, Claude A.J. Schleyer, a Professional Engineer registered pursuant to the New Mexico Engineering and Surveying Practice Act, hereby certify that I have reviewed the Closure Plan for the Golf Course Land Application Site at Kirtland Air Force Base, located at Albuquerque, New Mexico, that I am familiar with the rules and regulations of New Mexico Hazardous Waste Management Regulation (HWMR Chapter 265, Subpart G), pertaining to closure of such facility, and that I personally have made visual inspection of the aforementioned facility, and that the closure of the aforementioned facility has been performed in full and complete accordance with the facility's closure plan approved in writing by Ms. Kathleen M. Sisneros, on November 18, 1991, and the New Mexico Environment Department rules and regulations of HWMR Chapter 265, Subpart G of the New Mexico Environment Department.
