REQUEST FOR SETTLEMENT HEARING -- COMPLIANCE ORDER NMHWA 93-19

Dear Messrs. Horst and Harwood:

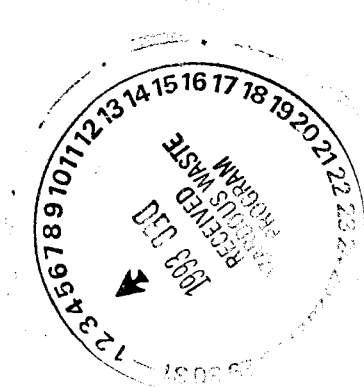

Pursuant to the notification of rights set forth in Compliance Order NMHWA 93-19, EG&G Special Projects requests an opportunity to confer with the State of New Mexico Environment Department concerning settlement. We respectfully request the opportunity to explain our conduct and to resolve the issues of violation and penalty. As we discussed on November 30, 1993, we agree that a Settlement Conference in the middle of January would be convenient. Please advise us of a specific date.

We have enclosed a copy of our Answer to Compliance Order NMHWA 93-19 and a copy of our Request for Hearing. Both our Answer and Request for Hearing were filed by facsimile and Federal Express within 30 calendar days of our receipt of the Order on November 4, 1993.

If you have any questions concerning this matter, please contact me at 703/330-4329.

Sincerely,

Laurie Morissette
